The publication has been produced with support of Japan International Cooperation Agency.

Dear reader!

The information and analytical bulletin 'Uzbekistan Economic Trends' has been published by the Centre for Economic Research since 2006. It is a quarterly bulletin issued in Uzbek, Russian and English.

The main aim of the bulletin has been and will be to present prompt analytical information on the most essential results and changes in social and economic development of Uzbekistan to the public.

While preparing the next issues of the bulletin we would like to take into consideration your needs and interests both in analytical and in statistical information.

We would highly appreciate any proposals and recommendations aimed at further improvement of 'Uzbekistan Economic Trends' bulletin. All your remarks and proposals you can send to khusnia.muradova@cer.uz
